PRESIDENT'S REPORT

Hello Chapter 93 members & EAAers, As new President(yikes!) I'd like to wish all a Happy & Safe New Year! Having the first board meeting last night 1-03-08 the board covered a number of items that Secretary Earl will forward in his report to the membership. I would like to take a moment to thank Gary for his hard work as President these past many years and thank him in advance for his future involvement with the Chapter as a board member. (he more than likely will be getting email questions from me!)

I thank also the past board & committee members for their involvement with the Chapter and their continued support of the Chapter and welcome aboard the new board members Lowell Zirbel, Bruce Gebhard and V.P. Dick Hartwig as well as those returning committee chairs and those yet to be announced committee positions.

The Board would also like to remind you all of the Chapter 93 "Annual Banquet" Jan, 12th/08 at Lake Windsor Country Club. This is a important chapter "kick-off" for the year so if you haven't yet please contact Earl Martin with your intent to attend at 825-3286 or cell 1(920)255-0094 or email at earlpmartin@excite.com ASAP as the Country Club needs a good idea of attendance. The guest speaker this year will be Mr. David Jensen the Deputy Airport Director at Dane Co. Regional. (his presentation is very interesting) and look for a good table of "door prizes" this year. Also take note that Dane Co. Regional was "named" as one of the top 20 passenger airports in the world for its environmental work and recycling programs by the trade magazine "Passenger Terminal World" of U.K., so I'm certain Mr. Jensen will talk about that also. We hope to see you all in attendance. Thankyou Don Ripp

SECRETARY'S REPORT

MONTHLY MEMBERSHIP MEETING--12/20/2007

The Chili Fly-in group was on the small size due to the weather on December 1st, but the group had all of the fixings so they did some hanger flying and discussed a variety of other subjects. One plane did manage to make it, check the web site to see the pictures taken at the fly-in. The Annual Chapter Banquet will start at 5:30 P.M. with cocktails and Dinner to be served at 7:00 PM. The cost this year will be \$25.00 per person. Members were asked the volunteer to serve on the different committees. Scott Nolinski won the door prize for the night which was a tape donated by Bud Rogers. Thank you Bud for the tape donation. It was also decided by the members to continue to be involved with the 2008 Poker Run. Our speaker for the night was our very own Rob Tweed who shared with the members his experiences about building his plane and some of the pictures of his travels with it. Thank you Rob for sharing your plane building experiences with the members.

BOARD MEETING--01/03/2008

Thank you to the people who volunteered to help on the committees but some positions are still left opened and we need volunteers to fill these positions. A Board Member may contact you to help, please consider helping the Chapter out in that capacity. Some of the committees that have had volunteers to offer to help out are Membership- Jerry Matzelle and Dave Van Lanen, Hanger- Dave Jeardeau, Program- Jack Jerrud & Bud Rogers, Web Master- David Ripp. Don Ripp volunteered to continue with the Poker Run committee and Dick Hartwig volunteered to help Don with that. It was also suggested to have a silent auction at the Annual Banquet starting with this year or maybe first next year. The 2008 EAA work week was suggested to be the weekend or June 21st or the 28th.
