June 2010

Published for the members of the Experimental Aircraft Association,
Chapter 93, Madison, Wisconsin

NEXT CHAPTER MEETING:

See you on June 17th at 7:00 p.m. with the pre-meeting cookout starting at 6:00 p.m.

TWO BIG CHAPTER EVENTS IN ONE DAY! THIS WILL BE FUN!

Saturday, June 12th, International Young Eagles Day at Blackhawk Airport, 9:00 a.m. to Noon

As mentioned in the May newsletter, take a copy of the flyer on page 2 to work, to family gatherings, youth groups, or post them around town and get the word out! We will also need ground support personnel and pilots to make this happen. Getting the youth and parents excited about aviation is what EAA and General Aviation needs to promote growth and excite the next generation of aviators. So if each member could invite just one youth out for a plane ride, that would be a plus day for Chapter 93 and Young Eagles.

Saturday, June 12th, Chapter 93 Family Picnic/Potluck, Noon until ?

Now that you've invited someone for a Young Eagle Ride, they may as well stick around for some good food, hangar flying, and the chance to get to know Chapter 93. Participation in this event is easy as following the suggestions listed below:

- ▶ The Chapter will supply sliced "hot" ham and buns
- ▶ Some beverages will be available in the clubhouse for sale
- ▶ Coffee will be supplied
- ▶ The grills will be available to cook on if you want to bring "grillable items"
- ▶ Bring a dish to pass around (label items with your name)
- ▶ Bring your own plates and flatware
- ▶ If you bring other than soda, coffee, water, or milk that's ok, but no plane rides!

NOTE: Please e-mail any items for the newsletter to the editor by the first of each month. Thanks!

Notes for the Membership:

PRE-MEETING COOKOUTS! With the return of grilling weather so returns the pre-chapter meeting cookouts. It was decided at the last board meeting to have the grills hot and ready for cooking at 6:00 p.m. prior to Chapter Meetings...so bring what you want to cook and your own place settings too. The chapter will continue to do these cookouts prior to the 7:00 p.m. meetings until weather or mosquitos bring it to a stop. (Next cookout will be 6 p.m. on 6/17-meeting at 7)

WEEKEND WORK PARTY at EAA is June 26 & 27. Dave & Joyce Jeardeau have ten chapter members signed up to attend and more are always welcome. You will get much aviation, hangar flying, and some really neat tours of some of the EAA buildings and facilities not normally open to the viewing public. And you will not go hungry. Interested? Let Dave or Joyce know.

KEEP THURSDAY, AUGUST 5TH at 7:00 p.m. open on your calendar as this will be the first pre-Brat & Bean Feed organizational meeting. At last years post event "debriefing," many notes and suggestions where taken and these and more will be reviewed at this meeting as well as various jobs and assigned duties that have been noted.

Chapter 93 is still in search of a "Publicity Chair" that can work with the media in order to get the word out about the Chapter Young Eagle Events (2 per year) the Brat & Bean Feed, the Chili Fly-In, the Scholarship Fund and maybe (?). That's 5 items that really need some good PR work. Interested? Let anyone on the board know.

Not to sound like the old "broken record," but Chapter 93 is *your* Chapter and the board is open to any suggestion for a event or activity of a aviation theme that may instruct, teach, entertain, or even amuse the membership. So don't just sit there: give us your ideas!

A Big thankyou to those that helped out with the 5/23 Young Eagle event as it worked out well for the twenty or so Young Eagles. (See photos from Jerry Matzelle in this newsletter.)

EAA Chapter 93 publishes *Corben Courier* once a month for and about its members who are interested in all phases of aviation. Articles to be submitted must reach the editor by the first Saturday of the month. Meeting night is the third Thursday of the month unless otherwise stated. Members may advertise items free of charge. Business card size ads are \$5 per month or \$50 per year.

Disclaimer: The *Corben Courier* newsletter serves as a clearinghouse of ideas and suggestions for homebuilt aircraft and owner operated aircraft. Girl Scouts Become Young Eagles

On Sunday, May 23, 2010, 24 Girl Scouts from Troop 2084 in Sun Prairie, flew with pilots of EAA Chapter 93. A warm and sun-filled sky produced smiles from scouts, parents and all who were involved. Special

thanks goes out to our pilots: Don Ripp, Jim Sainsbury, Skot Weidemann, Larry Landucci, and George Batsche.

We also express our gratitude to the staff at the welcome table and flight line who kept things organized, filled out all

required documents and took care of our flying guests without a hitch. They were: Patty and Jeff Plantz, Jim Lins, Fred Leidel. Dave Van Lanen and Tobie Stemsta.

Watch for the next Flying Event in June and plan to join in the fun.
