Chapter President Letter	1
B-17 Event Photos	2

Letter from the Chapter President

Hello Chapter 93

Hope summer is going well for you all! As the "Big EAA Event" is fast approaching, I would like to remind the membership of some VERY IMPORTANT issues for chapter 93. A big "Thank you" to Dave & Joyce Jeardeau for chairing the B-17 event to MSN. "A job well done"! The numbers are not yet but I am told some 93 seats were sold for rides, and a very good turnout for the ground tours during the weekend. The membership really stepped it up volunteered to help out. And to further mention the B-17 crew really enjoyed the invitation to the potluck and mentioned a number of times this was one of the best potlucks ever.

The Brat & Bean fly-in has been "CANCELED" for this year. At the last board meeting the board went for a "walk-a-bout" around the airport and after looking at all the weed spraying, pothole patching, and mowing that would need to be done to make this event "safe" and "inviting" to transient aircraft and the amount of time required as well as available weekends it was voted and decided to cancel the event. So just to make it clear, the Brat & Bean Feed is CANCELED for this year.

NEXT CHAPTER MEETING of 7/21/11, at 7p.m. at the clubhouse/hangar. Yes, there will be a pre-meeting cookout at 5:30p.m., so

bring what you want to grill. The agenda will be "open" discussion about AirVenture and schedule of events and past events at AirVenture. BRING YOUR BEST AIRVENTURE STORIES

Sugar Ridge Fly-in, Mr. Tom Kretschman has again graciously offered an open invite to his "open house" this year called "Wings & Wheels". The date will be August 18th at 5p.m.

Young Eagles Event has been scheduled for Saturday the 10th of September, 9a.m. to 1p.m. The chapter needs planes, pilots, ground personnel, and kids. If you can help out please let Earl Martin or Aaron Larson know. Keep in mind the banquet and if you know of an interesting "Speaker", now should be the time to start working on that event

- Don Ripp
